Character Name _____

Each time you mark a box, you must **strike one out from the end of the other tracks.**

Mark 1 box per available time after each Mission, then visit the Playwalled Documents matching any code you mark.

MVP

Times Received

Awarded to the player who earns the most Commendations.

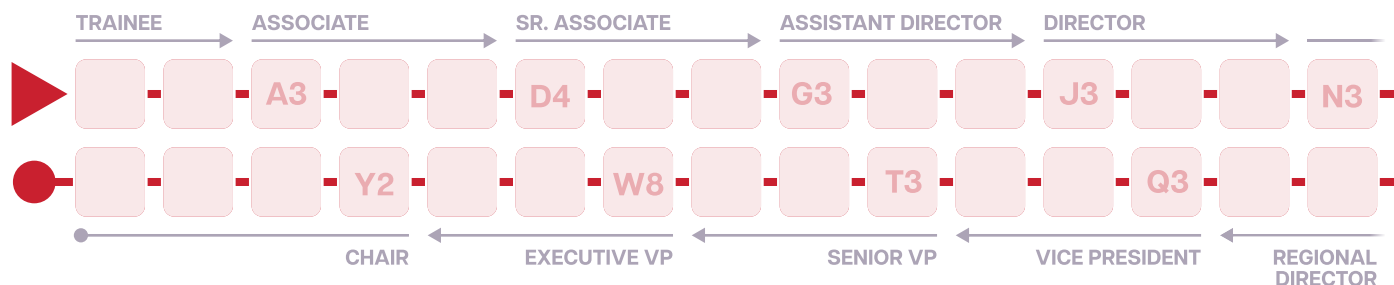

Probation

Times Received

Awarded to the player who earns the most Demerits.

Competency

Each time you mark a box in your Competency track, increase your Maximum Quality Assurances by 1 in any Quality, up to a maximum of 9. Then, gain 3 Commendations.

When you receive Mission MVP, mark 1 box in your Competency track without striking one out from the other tracks.

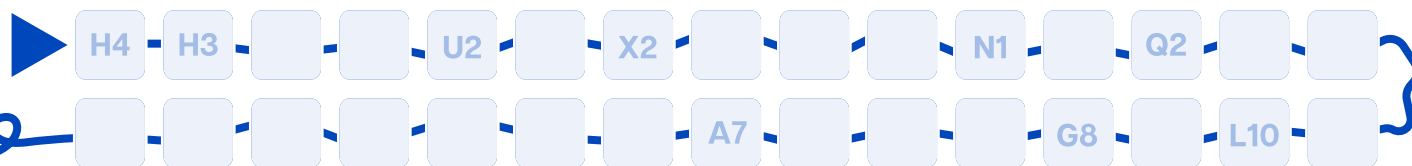

Reality

Each time you mark a box in your Reality track, increase your Connection with any Relationship by 1, then repeat for each Networked Relationship.

When you receive neither Mission MVP nor Probation, you may increase your Connection with any Relationship by 1.

Anomaly

Each time you mark a box in your Anomaly track, pick one:

- ▶ **Practice:** Mark Practiced on any Anomaly Ability.
- ▶ **Be Known:** Erase Practiced from an Anomaly ability and ask your team that ability's question. Mark the track of the answer that gets the most votes, then receive any unlocked Abilities.

(I can teach you what all this means if you spend 1 time to go to H4!)

When you receive Probation, mark 1 box in your Anomaly track without striking one out from the other tracks.
